Don't Cry...

I am at peace, there is no need for tears;

I was truly blessed to have had your love for all of those years.

There is no pain, I suffer not, and the fear is now all gone.

My love will always be with you and in your memories I live on.

To My Loving Husband

*The day you left and gained your wings
My heart just broke in two
I wish you could have stayed with me
But Heaven needed you*

*You left me with the memories
And I love you dearly still
No matter how much time goes by
You know I always will*

*You were a very special person
With kindness in your heart
And the love we had together
Grows stronger now we're apart*

*I know I cannot bring you back
Although I wish it everyday
But a piece of me went with you
The day you went away*

LaQuanta

Missing You, Dad!

*If tears could build a stairway
And our memories were a lane,
I would come straight up to heaven,
Just to bring you home again.*

*No final words were spoken,
We had no time to say goodbye,
You were gone before we knew it,
And only God knows why.*

*Our hearts are still filled with sadness,
Of course, tears still flow
What it meant to lose you,
No one will ever know.*

*You wouldn't want us to mourn any more
But to remember precious memories we shared,
Life has so many more in store*

*You shall never be forgotten,
And I pledge to you today,
You hold a special place in my heart,
And that is where you shall stay.*

Love Always,

Carlos, T'Marion, Cordarious, Jaqueria, Jaishaun
